

BRYANSTON

## Your Fees Explained

### School Fees

The boarding fees for 2023/2024 are £15,534 per term. This covers tuition costs for the standard curriculum, food and accommodation, laundry, the facilities and travel for **most** sports and games, and personal accident insurance.

The day with bed fees are £12,738 per term. Overnight stays are charged at £58.63 per night and added to your bill termly in arrears.

The day only (no bed) fees are £10,350 per term, with no option for overnight stays.

The fees will be reviewed by the Governors during the course of your child's education and they may increase in accordance with our terms and conditions.

**Fees are payable 7 days before the start of term by direct debit or bank transfer.**

Fee bills are published to the [Parent Portal](#) and an email will be sent out from the Finance Director when they are available to view. For the most up-to-date information on fees please see [www.bryanston.co.uk/fees](http://www.bryanston.co.uk/fees). **The [Terms and Conditions](#) are available to view on the website.**

### Fees in Advance Scheme

Bryanston operates a Fees in Advance (FIA) scheme that provides fee payers (parents, grandparents, guardians or others) the opportunity to make an advance lump sum payment towards future School fees for all, or part, of the pupil's time at School. The FIA scheme is available for current pupils and prospective pupils who have registered with Bryanston. The minimum number of terms to be covered is four terms and the maximum is the lesser of fifteen terms or the pupil's remaining time at the School.

In return for a lump sum advance payment the School offers fee payers a discount against future fees and guarantees a credit that will be applied to each term's fee invoice. The rate of discount allowed by the School is kept under constant review. Once payment is made the rate of discount agreed will apply for the whole period covered by the advance payment.

In the event of a future announcement by a Labour Government that VAT will apply to school fees, we anticipate that it is unlikely that VAT would be retrospectively imposed on fees already paid in advance, though we cannot of course guarantee there will not be special rules introduced to prevent this.

If you are interested in making a lump sum payment please contact the Finance Director ([finance@bryanston.co.uk](mailto:finance@bryanston.co.uk)) for further information or visit the [School's website](#).

**Endsleigh Pupils' £600k Personal Accident Insurance** – included within the School fee is personal accident cover; pupils are automatically insured. Details will be sent out separately.

At an additional charge, **but optional and on an opt-in basis**, the premiums in respect of two other Endsleigh insurance schemes could also appear on your termly account:

**Endsleigh Pupils' Personal Effects Insurance.** The School regrets that it is unable to accept responsibility for loss, damage or theft of the personal property of pupils. Parents can cover their child's property on an "All Risks" basis for up to £2,000 for a single item and £5,000 total sum insured. Your child will not be included in the scheme unless you elect to opt-in. Details will be sent out separately.

**Endsleigh Pupil Absence Insurance.** Fees and any agreed supplemental charges will not normally be reduced or refunded as a result of absence due to illness or otherwise. Parents may be able to receive a refund of fees if their child is absent from School by paying an additional sum each term. Your child will not be included in the scheme unless you elect to opt-in.

**If you would like to take advantage of these schemes, please respond to the information email you will receive or contact the Finance Bursary ([finance@bryanston.co.uk](mailto:finance@bryanston.co.uk))**

**Additional charges** you will also find on your termly bill are the membership fees of the [Bryanston Parents' Association](#) and [Beyond Bryanston](#) (the Alumni Association) both of which can be opted out from.

Other costs, because they vary so much from child to child, are charged as extras. To avoid unwelcome surprises at your first end of term account, we thought it would be helpful were you to understand at the outset the type of charge that you are likely to see added to the bill as an extra. Extras fall into three broad categories - educational, recreational and personal - and seem to average out at £500 per term, but very much depend on the activities chosen by your child.

### **Educational extras**

**All Bryanston pupils pay for their own textbooks and stationery.** Text books that are still in current use and that are required for study in subsequent terms may be returned to the Shop when no longer required by pupils for study. Such book returns will be bought back by the School at their second-hand value (up to 50% of the price paid), provided they are unmarked and the covers undamaged.

Individual music tuition is charged termly in arrears - £340 per term per instrument (for up to 30 lessons per year). Instrument hire is charged at £31.50 per term, including piano hire to cover tuning and maintenance. Music students also bear the cost of sheet music purchased for their own use. **Notice period of half a term is required, particularly if you choose not to continue with music tuition at the end of Year D. Please check the terms and conditions on the music booking form.**

Individual tuition, where a need has been identified and agreed with parents, will be charged as an extra. Lessons are charged in arrears at £47.00 for a 35 minute lesson in the following areas: English as an Additional Language (EAL), Maths Support and Learning Support.

**External examination fees are charged**, as are materials used in art, sculpture, pottery and design and technology. In certain circumstances special arrangements made for examinations are chargeable.

Participation in School outings and expeditions that do not form an integral part of the curriculum are also charged as extras.

### **Recreational extras**

There are a large number of groups, clubs and societies to which pupils might choose to belong; the charge for membership varies in line with the complexity and cost of the activity. Furthermore, a number of weekend trips, activities and events are now arranged for pupils and some of these will attract a charge.

**Rowing** – from £75 per term if chosen as a sports option

**Kayaking** - £40 termly

**Sailing** - Summer term £27.00 per session (2022/2023)

**Squash** - Private tuition can be arranged and charged in addition

**Tennis** - Private tuition can be arranged and charged in addition

**Dance** - £6 per session

**Speech and Drama** - £340 termly

**Duke of Edinburgh** - registration fees and expedition costs

**Equestrian** - horse riding lessons are £315 for 10 lessons on average per term. Livery charges can be obtained from Sophie Starr on [sos@bryanston.co.uk](mailto:sos@bryanston.co.uk)

**Autumn Fireworks** - £8 (2022/2023)

**Main School Drama Production** - £13.50 (2022/2023)

**Clay Pigeon Shooting**

**Various ECAs**

### **Personal expenditure**

For the convenience of pupils and their parents, there are a number of items of essentially personal expenditure that may be charged as extras. These might include:

**School shop** - sports kit and equipment, stationery and personal items can be purchased from the shop and will be itemised on the bill at the end of each term

**Transport charges** - for exeat and end/start of term transport, and occasional taxi charges

**Theatre tickets** for performances in the Coade Hall

**House parties and social events**

**School photographs**

**Dry cleaning charges** - for items of clothing that cannot be cared for by our School laundry

**Charges for culpable damage**

**Private medical treatment for pupils** - and the cost of immunisations

**Transport for Hospital Treatment**

The Bryanston campus is cashless so pupils will need to have either a debit card, pre-paid card or electronic form of payment i.e. Applepay.

Should you have any questions, at any time, relating to extras charged to your account, in the first instance please contact the Finance Bursary ([finance@bryanston.co.uk](mailto:finance@bryanston.co.uk) or 01258 484626).
